RE: *Joint Application of Charter Fiberlink SC-CCO, LLC and Time Warner Cable Information Services (South Carolina), LLC for Designation as Eligible Telecommunications Carriers, Docket No. 2021-23-C*

Dear Ms. Boyd:

By this letter, Charter Fiberlink SC-CCO, LLC and Time Warner Cable Information Services (South Carolina), LLC (collectively, the "Charter Entities") provide the Public Service Commission of South Carolina ("Commission") with information about a development that will result in a reduction of the Charter Entities' Rural Digital Opportunity Fund ("RDOF") Phase I Auction census block award in South Carolina.<sup>1</sup>

Charter Communications, Inc. ("Charter") recently provided the FCC with a list of certain RDOF awarded census block groups in South Carolina that it identified for relinquishment. The Charter Entities are submitting for the Commission's information and review the list of census block groups that Charter provided to the FCC for South Carolina. **Please note that the Charter Entities consider this list to be highly sensitive, confidential, and proprietary.** Accordingly, the unredacted copy of the list is being submitted to the Commission under seal and is attached as

<sup>1</sup> The likelihood that there could be modifications to the Charter Entities' RDOF census block award was identified and explained in the prefiled Direct Testimony of Michael A. Chowanec filed on March 9, 2021 in this docket.

Attachment A to the Motion for Leave to File Under Seal that is being hand-delivered to the Commission in a sealed envelope. The electronically filed version of the Motion for Leave to File Under Seal will include a redacted copy of the list, protecting from public view the confidential information. Also attached is a proposed order granting the Motion for Leave to File Under Seal.

Once the FCC provides Charter with its modified RDOF awarded census block list under the Phase I Auction for South Carolina, the Charter Entities will provide notice to the Commission of same pursuant to footnote 1 of the Stipulation executed between the Office of Regulatory Staff and the Charter Entities and filed with the Commission on May 13, 2021. The modified list would then be public and available to the Commission to update its files to reflect the RDOF census blocks that constitute the ETC designated areas granted to the Charter Entities in this docket.

If you have any questions, please do not hesitate to contact us.

Respectfully,

**WILLOUGHBY & HOEFER, P.A.**
